PRIVATE FLORAL WORKSHOP PARTIES

AT JOSEPHINE

This holiday, let us host you for a little while so you can leave the world behind to create something beautiful with people you cherish.

Our floral workshop parties offer a meaningful way to come together with your people in a beautiful, safe space to celebrate or just to have fun connecting and unwinding with friends.

You'll have the space all to yourselves while we play the role of host-sharing our passion for fresh, seasonal florals while each member of your group explores their inner floral stylist. Each person's signature arrangement is theirs to take home. Workshop parties are available for in-home/ other private events.

For more information, go to www.josephinelala.com or email us at hello@blushflora.com.
